Linksfield North Residents Association

STREET SIGN PROJECT

Why road marking as a project?

- This was an initiative brought to our attention by a resident
- Three intersections in our area have never had street signs
- Nigel road, in particular, has never had a road marking before
- Facilitates navigation within the area, particularly with couriers and transporters

Linksfield North Residents Association

Road Sign Project

We did not do road kerb stencil marking because they look tatty over time – for example:

Instead, we replaced with quality sign posts

- This project was made possible by the LNRA

- The LNRA is made up of members of the community who are your neighbours and we do this for the love of the neighbourhood. Help us help each other and please contribute to the LNRA.

- It’s the only way to get projects like these done!

- The project was donated by an anonymous donor within the LNRA’s area
